

Beach/Ramp use during the week-end:

We ask that all sailors be aware of the situation regarding the use of the boat-ramp, trailers/vehicles on beaches and parking around the club.

- We ask that trailers are reversed down the boat ramp and that vehicles are not driven on the beach.
- If possible, trailers should be kept at your accommodation. If trailers/jinkers are left on the beach that they are pushed to the 'top' of the beach near the walls. Jinkers/beach wheels to be left in an organised fashion, rather than scattered, while sailing.
- Cars, trailers and boats CANNOT be parked on the boat ramp at any time. It is a public ramp and should be treated as a roadway.
- Please do not obstruct the front of the clubhouse - access is required.

COVID safety conditions:

Please be advised: sailors must be extremely vigilant concerning the Pt. Vincent SC COVID safety conditions. Please make yourself aware of the club's requirements and they trust that you will understand and comply with their requests regarding these requirements.

Saturday pre-racing:

Briefing at 11am on Saturday 6th as per SIs. No other briefings unless an emergency. All information on noticeboard.

Saturday evening dinner at the club:

Dinner will be served under 'Covid Conditions' from approximately 1830hrs. Bookings are essential and can be made on Saturday morning. Payment with bookings is requested. Eftpos facility now available. The bar will be stocked with cold, refreshing beverages.

AGM: Committee plans to conduct the AGM after dinner

Sunday after sailing:

Bar open and (any) Saturday leftovers available at club following racing.

Monday after sailing:

Presentation: Committee plans to conduct the Presentation of State awards/trophies after the completion of sailing as per the SIs.
